

CSCN-FASD SERVICE COORDINATION *PRESENTS* A PARENT AND CAREGIVER SPEAKER SERIES

A Virtual Speaker Series Funded by Health Nexus

Please join us for a series of discussions with experts in the field of Fetal Alcohol Spectrum Disorder. Each session will provide the opportunity for parents and caregivers to participate in interactive conversations while learning the latest progress in research and strategies.

Please contact CSCN to register for any or all of the sessions. All sessions are free of charge.

Links to the sessions will be emailed upon registration
