STAR News UPDATE

Woodstock Attendance Area Review launched (WAAR)

The Thames Valley District School Board will launch a major Attendance Area Review to address significant pressures faced by schools in the City of Woodstock due to continued enrolment growth.

The review will consider ways to meet the growing demand for French Immersion in Oxford County, as well as address enrolment imbalances that have left some Woodstock schools underutilized while others are overcapacity.

For example, Roch Carrier French Immersion Public School is experiencing significant overcapacity due to the school's small size and continued strong demand for French Immersion programming across Oxford County. Roch Carrier is TVDSB's only French Immersion school in the county.

At the same time, schools such as Oliver Stephens and Eastdale currently utilize as little as 65 per cent of their capacity, while Springbank Public School requires 10 portable classrooms to deal with current overcapacity.

Enrolment growth is expected to continue in Woodstock over the coming years. This growth may require capital investments such as a new school or additions to existing schools. However, before Thames Valley can seek provincial funding for new projects, it must first make use of available space at underutilized schools.

Administration submitted an Initial Attendance Area Review Report to the Board of Trustees on February 23, containing proposed options to deal with current enrolment pressures.

The Report recommends Oliver Stephens Public School as the site of a dual-track English and French Immersion school to relieve overcapacity at Roch Carrier French Immersion Public School. The Report also recommends balancing enrolment throughout Woodstock by adjusting attendance areas at Algonquin, Eastdale, Springbank and Winchester Street public schools.

As part of the review, the Board will conduct extensive public engagement and establish school committees to review the proposed options and present their views to Trustees for consideration.

A final report is expected to be presented to Trustees later this year.

STAFFING CHANGES

We have to say some good-byes to staff this month. Ms. D. Jarvis has accepted a position at South Dorchester PS which will begin on April 1st. The board will be hiring her replacement in the coming weeks. We wish her all the best in her new school.

We also say good-bye to Ms. Pulley who will be on leave starting on March 22nd for 6-8 weeks. Mrs. A. Timms who is a retired principal will be assisting us in the afternoons only during Ms. Pulley's absence. We will be hiring a teacher librarian replacement and will announce the successful candidate in next week's newsletter. We are hoping to have this person start on March 22nd. Please join me in welcoming Mrs. Timms! If you have any questions for her, you may contact her by calling the school at 519-537-5761.

DAILY SCREENING AND REPORTING STUDENT ABSENCES -UPDATED FEB. 22nd

It is important that the daily screening for COVID-19 symptoms is completed daily. If your child is unwell, we ask that you follow direction provided through the screening tool and continue to report absences through School Messenger or contact the school.

COVID-19 Decision Tool for Schools and Parents / Caregivers

Last updated: February 22, 2021

EACH DAY complete the COVID-19 School Screening Tool before school
<https://covid-19.ontario.ca/school-screening/>

If your child **FAILS** the Screen, follow these steps:

Scenario 1	Parent/Caregiver Action
<p>Your child has any ONE of these symptoms:</p>	<ol style="list-style-type: none"> Child and all household members MUST stay home. Sick child should get tested. While waiting for test results, all household members MUST stay home and cannot go to school or work until COVID-19 has been ruled out. <p>CALL AND BOOK A COVID-19 TEST:</p> <p>Woodstock Hospital Assessment Centre, Tillsonburg District Memorial Hospital Assessment Centre, or Alexandra Hospital Ingersoll Assessment Centre 1-855-905-6148</p> <p>St. Thomas Elgin General Hospital COVID-19 Assessment Centre 519-631-2030 ext. 6210</p> <p>West Elgin Community Health Centre 519-857-2883</p> <p>Carling Heights Community Centre, London 519-885-8500 ext. 75503</p> <p>Oakridge Arena, London 519-867-6886</p>
<p>IF child's COVID-19 test is POSITIVE.</p>	<ol style="list-style-type: none"> Public Health will contact you and let you know what to do. Child and all people who live together MUST stay home, self-isolate*, and follow public health advice.
<p>IF child's COVID-19 test is NEGATIVE.</p>	<ol style="list-style-type: none"> Child can go back to school once ALL of the following apply: <ul style="list-style-type: none"> They have been feeling better for 24 hours They do not have a fever without using medication They were not in close physical contact with someone who has COVID-19 All people in the house can go back to school and work if they are well and there are no other pending results for other household members. <p>Note: A child or household members who are a close contact of a COVID-19 case cannot go back to school/work, even if they tested negative. See Scenario 2 for more information.</p>
<p>IF child was not tested.</p>	<ol style="list-style-type: none"> Child MUST stay home. Child MUST self-isolate away from others for 10 days from the day symptoms started. All members of your household must stay home and self-isolate for 14 days from when your child developed symptoms. <p>Note: A child may only be able to return to school earlier than 10 days if ALL the following apply: a doctor diagnosed the child with another illness, the child does not have a fever (without using medication), and it has been at least 24 hours since the symptoms started improving.</p>

COVID-19 Decision Tool for Schools and Parents / Caregivers

Last updated: February 22, 2021

Scenario 2	Parent/Caregiver Action
<p>Child is a close contact of a COVID-19 case (confirmed by public health).</p> 	 <ol style="list-style-type: none"> 1. Child that is a close contact MUST stay home. 2. Child that is a close contact MUST self-isolate away from others in the home. If self-isolation away from others in the home is not possible, those in contact with the child MUST also self-isolate. 3. Household members who are well AND isolating away from the child that is a close contact can ONLY leave the household for essential reasons. Essential reasons include: <ol style="list-style-type: none"> a. Attending work/school/childcare b. Essential errands such as groceries, attending medical appointments or picking up prescriptions. 4. If anyone in the household develops symptoms, everyone in the home MUST stay home and self-isolate until the individual with symptoms receives a negative COVID-19 test or is provided with an alternative diagnosis from a health care provider. 5. Public Health will give direction on self-isolation and when child can return to regular activities. 6. Have your child that is a close contact tested for COVID-19, 7 days after their exposure, even if they do not have symptoms. 7. If child that is a close contact tests negative, the child MUST still complete the full self-isolation period.
Scenario 3	Parent/Caregiver Action
<p>Child or anyone in the household has travelled outside of Canada.</p> 	 <ol style="list-style-type: none"> 1. Child cannot go to school. 2. Child MUST self-isolate for 14 days. Household members SHOULD stay home for 14 days too. 3. Child can return to school after 14 days if no symptoms and pass screening tool. 4. If child develops symptoms of COVID-19 while self-isolating, child should be tested. <p>Note: Anyone who travels outside of Canada MUST self-isolate in accordance with provincial and federal legislation.</p>

*Self-Isolate means: stay home and avoid contact with other people.

MASK REQUIREMENTS FOR ELEMENTARY STUDENTS

In TVDSB, students in Kindergarten to Grade 8 have been wearing masks to school since September 2020. The Ministry of Education has changed the requirement for students in Grades 1-3 to wear masks; previously this requirement from the province was for students in Grades 4-12. Therefore, we would like to remind families to please ensure your child continues to attend school with a mask. A mask will be provided, if needed.

For families requesting a mask exemption, this is to be provided in writing to the school principal. All requests will be reviewed by the Mask Exemption Review Panel. Until an exemption is approved, students are required to wear masks.

Masks are now required to be worn outdoors, for recess breaks and outdoor learning where physical distancing cannot be maintained. Students will be supported to have breaks from mask wearing during these times while maintaining the requirement to be safely distanced from peers. In addition, congregating outdoors before and after school is not permitted. Parents are also encouraged to maintain social distance or wear a mask.

Thank you for working with us for the health and safety of our students, staff and communities.
