OUR SCHOOL PARENTS STUDENTS PROGRAMS

Learn at Home

Post cards for Peace-REMEMBRANCE DAY Wed., Nov. 11th

Many students participated in making post cards for soldiers in celebration of Remembrance Day. Thank you to those that sent in a donation for the Purchase of the poppies. The donations will go to our local Legion.

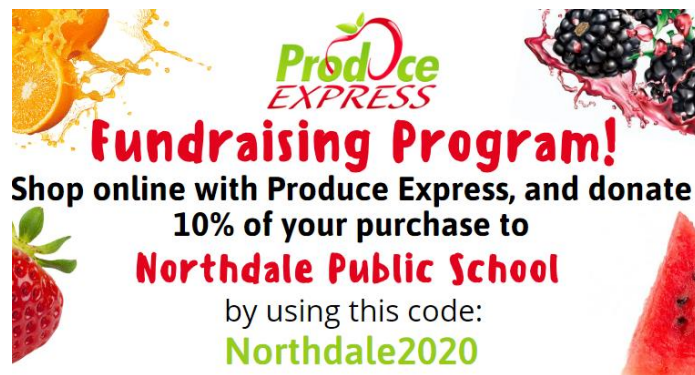

Thank you!

Thank you to our amazing school community. You know when you're faced with challenges in traumatic times who your people are. The support from parents whether it has been phone calls, on social media or emails has been outstanding! Our staff feel the love and support and we can't thank you enough. It is a pleasure to be working with you the parents as we partner together to help our students to grow and learn in a safe and caring learning environment.

PRODUCE EXPRESS Fundraiser!

Do you shop here? Well you can help us earn money to support our fabulous snack program. It is as simple as putting in your order and then using **our school code: Northdale2020**. This fundraiser will only last for the month of November and will earn us 10% of all purchases. What a terrific opportunity to support our school and students! Thank you to Produce Express! See attached flyer for more information.

COATS FOR KIDS AND ADULTS

Woodstock's Operation Sharing -Coats for Kids and Adults program will not be running the same way as it has in the past. If your family is in need of winter apparel, you must complete a request form and submit it to the Program Coordinators by November 30th. This service is offered free of charge. Pick up of the apparel will take place at Woodstock's Operation Sharing at a pre-registered date and time. If you require a request form, please contact the school.

WEATHER/OUTDOOR TIME

Please be aware that students go outside every day for PE/ recess / outdoor lessons. They need to come to school dressed for the weather. This time is important as it is the only time students will have a break from wearing their mask. Students are welcome to bring an umbrella on those rainy days for recess time and if the teacher deems it appropriate for their outdoor learning time. If the weather is severe such as cold temperatures that public health identifies as a high risk or if it is a thunderstorm, we will not send them outside.

While inside their classrooms, students are required to remain seated with masks on, this is a South Western Ontario Public Health / TVDSB mandatory protocol. We feel it is important that students have an opportunity to have a fresh air break and a chance to move around.

If you have further questions, please contact the school.

SAFE ARRIVAL / DEPARTURE; Safety of our children is always our guiding principle when making any school community decisions. Please support us in our efforts to follow the public health unit protocols of social distancing and contact tracing during drop off and pick up times. We recommend parents wear their masks and keep social distanced. *Please move away from the gate area* after you have dropped off your children in order that other families with students can safely access the fenced in playground. Please do not walk your students onto school property at either entrance off Northdale Ave. Parents are asked not to say their good-byes at the sidewalk or their vehicle. Thank you for your assistance!
