STAR News UPDATE

SAFE ARRIVAL / DEPARTURE; Safety of our children is always our guiding principle when making any school community decisions. Please support us in our efforts to follow the public health unit protocols of social distancing and contact tracing during drop off and pick up times. We recommend parents wear their masks and keep social distanced. *Please move away from the gate area* after you have dropped off your children in order that other families with students can safely access the fenced in playground. Please do not walk your students onto school property at either entrance off of Northdale Ave.

Thank you!

BRANT ST / VICTORIA ST. TRAFFIC

Devonshire is closed for a week and there is an increase volume of traffic coming down Northdale Ave, Victoria St., and Brant St. Please be mindful of this during drop off and pickup times. Thank you!

EMERGENCY DRILLS

Every year, schools are required to complete three fire drills, one severe weather/tornado drill and a code red drill in the fall and then again in the spring. This fall, our fire drills will be September 29th, October 7th and October 20th. The severe weather/tornado drill will be October 1st. The drills will run a little differently this year to follow new COVID protocols and procedures. The classes have been divided into three groups. Each group will have its own time to practice the drill on the dates stated. Please note, in the event of an actual emergency, the safety of staff and students takes priority over COVID protocols and all groups will follow the emergency plan at the same time. At this time, we are holding off on the code red procedure until we get further direction about how the drill will look within the new protocols and procedures this year. An update will be sent when this dated has been decided.

STAFFING

We have to say some good-byes to staff this month. Mrs. Anne Bedard has accepted a leadership position with the board as a Learning Coordinator for Spec. Ed. Ms. Stephanie Witzel has agreed to take on the position of .5 LST for Kindergarten and Grade 1, 1/2 but will continue to provide the outdoor education for the 2 Kindergarten classes and the Kindergarten/Grade 1 class in the morning.

We also said good-bye to Mr. Hautala who was teaching grade 4/5. We wish him all the best in his future endeavours. Ms. Bruce has agreed to teach the Grade 4/5 until we hire a replacement. We are hoping to have this person start on October 13th after the Thanksgiving weekend. Please join me in welcoming Ms. Bruce! If you have any questions for her you may contact her by calling the school at 519-537-5761.

UPCOMING DATES TO REMEMBER:
