STAR News UPDATE

Wishing You All A Very Merry Christmas and a Happy and Healthy New Year, in 2021!

The lights are shining brightly and the joy of the holiday season is upon us. I would like to wish all of our Northdale Public School parents, students and friends a safe and happy Christmas and holiday season. The month of December is a busy and wonderful time of year and we are grateful for the growth that each of our students has experienced and the fun we have had along the way.

Thank you to all parents that have sent in donations to our food drive or sent in monetary donations for our Nutrition program and sent in Walmart gift cards this past month. I am so proud and feel so blessed to work in such a caring and sharing community. Please know that your generosity and kindness is a shining example for our students. We are very proud of the excellent job that our students and staff did this year in preparing and adjusting to the new and changing protocols during this pandemic. Special thanks to our custodial staff, for cleaning, disinfecting, and wiping all spills and messes our students and staff make. They demonstrate an amazing Christmas spirit all year long, sharing their smile and joyful presence as they go about the business of their day.

As you prepare for what is a busy time of year be sure to take some time for yourself and reflect on all the wonderful blessings of this past year. 2020 was a year filled challenges and we thank each of you for the contributions you make to ensure that our students are successful. We have accomplished many great things together and are grateful for the teamwork that we have in place to ensure that all stakeholders are successful. Thank you again to our students, our parents and our staff. Your commitment and dedication help our students grow and we are grateful for the support!

The overriding message we hear at Christmas is one of 'peace and good will' to one and all. We at Northdale Public School would like to wish everyone a very safe and happy holiday. Enjoy the warmth of every moment with your family and friends and carry that warmth with you into the New Year!
